

Date	Topic	Description
Sept. 11	How to Set Up a Homeschool Tickler File	Have you ever started a lesson just to discover you needed 5 copies of a worksheet, 2 apples, and a stick of glue? And you are out of glue! Did you need a library book but forgot to request it in time for your lesson? This is the workshop for you! You will learn how to set up a file system for every lesson, every week. No more incomplete or postponed lessons!
Sept. 18	How to Set Up a Preschool Resource File System	Preschool lessons are simple but it can be difficult to keep track of all the little pieces. And some days, you just need to whip out a quick preschool activity to keep those wiggles tamed. This Preschool File System will help you become a Preschool Pro!
Sept. 25	How to Set Up a Digital Lesson Plan: Part A	<p>If you write out your Lesson Plans with pen and paper, you know the time and effort it takes to adjust the plan every time a child gets sick or your in-laws show up for a visit. A Digital Lesson Plan is a tidy little solution to that problem. (PS. A Digital Lesson Plan also makes turning in lessons to your Supervising Teacher a cinch!)</p> <p>Part A: In this workshop, you will learn how to set up a Digital Lesson Plan using any spreadsheet software. This workshop will focus on how to set up the spreadsheet in a weekly format.</p> <p>**You do NOT need to bring a laptop in order to attend.</p> <p>**This is a 2-part workshop. You can register for them individually but you will get the most out of attending both.</p>

Oct. 2	How to Set Up a Digital Lesson Plan: Part B	<p>Part B: In this workshop, you will learn how to set up a Digital Lesson Plan using any spreadsheet software. This workshop will focus on how to set up the spreadsheet in a daily format. We will also look at and discuss the pros and cons to digital lesson planning software.</p> <p>**You do NOT need to bring a laptop in order to attend.</p> <p>**This is a 2-part workshop. You can register for them individually but you will get the most out of attending both.</p>
Oct. 9	Mini Lesson Planning Retreat	Put your new Homeschool Mom skills to work. This workshop will give you one solid hour to work on your lesson plans, fill up your Tickler File, sort your Preschool Files, or ask me questions about your unique homeschool planning issues. I will have samples of my digital lesson plans available.
Oct. 16	How to Successfully Teach Memory Work	Do you dream of helping your children memorize important places and dates, scripture verses, speeches, or beautiful poetry? Do you struggle with how to teach Memory Work? In this workshop, you will learn how set up a realistic plan to memorize ANYTHING and how to use a Memory Box. This is a proven, easy and effective way to teach Memory Work.

Oct. 23	How to Teach Bigs with Little Ones (Pre-K & under) in the House...without sitting them in front of a screen all day	Do you wish your toddler/preschooler could be engaged in their own learning activity while you are busy teaching older kids? In this workshop, you will learn how to set up independent learning centers for toddlers-preschoolers so they can learn and have fun while you are busy teaching older students.
Oct. 30	Sensory Tools for the Homeschool Classroom	Some children just need to MOVE while they learn. In this workshop, you will learn how to add sensory tools to your homeschool classroom. You can help your child wiggle AND learn, without building an gym!
Nov. 6	How to Supplement Your Child's Schoolwork for Maximum Benefit	Do you have traditional school children who need a little help absorbing their school lessons? Does your homeschool student struggle to learn a lesson the way the curriculum describes? Don't ditch the curriculum! Come learn how to easily supplement your child's lessons so he/she can learn in their own unique style to reach for their maximum learning potential.
Nov. 13	Bullet Journaling for the Homeschool Mom	You are a busy mom. "Homeschool Mom" is just one hat you wear. Do you wish there was a way to keep all the random tasks and lists in one place without losing them? Come to this workshop and learn the amazing method called Bullet Journaling! You won't believe how much less stressed you will feel.

<p>Nov. 27</p>	<p>How to be Ready for an Emergency: My “I need a substitute teacher ASAP!” Method</p>	<p>Emergencies happen, but “the show must go on,” or at least school must go on. This workshop will teach how you to prepare for emergencies, so you can have peace of mind about school in midst of your crisis.</p>
<p>Dec. 4</p>	<p>How to Get the Most Out of Your Homeschool Tools **FREE**</p>	<p>Have you ever seen a laminator, binding machine, or jumbo paper-cutter and wondered, “Is it really worth the cost?” Have you lingered in the “organization” isle at Office Depot but wondered which box is the right box for you? This workshop will introduce you to many homeschool tools and give you ideas on how you can best use them in your homeschool classroom. **This is an interactive workshop. Feel free to bring some of your own homeschool materials to try out these tools for yourself.</p>
